

**Budget Hearing
Village of Rothbury
March 16,2021**

The annual budget hearing was opened at 6:30 PM in the Village Hall by President Scott Beishuizen. All council members were present for the hearing.

Also present were the Village Treasurer Deb Murphy, Police Chief Tom Hasper, Sargent Ethan Walker and Barb Thompson.

Village Clerk Carol Witzke presented the 2021-2022 proposed budgets to the council in two formats. The first format was a report from BSA comparing 2019-2020, 2020-2021 and the new budget. The second was the original type which the council has requested because of the ease in reading.

There was general discussion concerning the budget which was again using the capital outlay projects from the last fiscal year that had been put on hold due to COVID. No major projects will be started until we have confirmation of the Electric Forest going forward or another funding source is found.

Hearing was adjourned at 6:40 PM.

Respectfully,

Carol Witzke
Rothbury Village Clerk
