It was also reported that the State Police post has a new commander who is unfamiliar with the festival. Doug was directed to notify Madison House of council concerns.

Recreation director Brandy Williams reported on progress in Easter preparations.

Deb Murphy reported that the Community Center is seeing an uptick in interest and that the month of July is fully booked.

President Scott Beishuizen discussed with council the McKinley Road project and the possibility of receiving a grant for solar installations or electrical recharging stations for the Village Hall

parking lot. The road project will be put out for bids as soon as possible to lock in the ever-increasing price.

Meeting stood adjourned at 7:40 PM.
